**ORDER:**

It is the case of the petitioner that he made a representation, dated 17-02-2007, before the 1st respondent marking a copy to the 2nd respondent stating that the proceedings are pending before the Revenue Authorities with regard to grant of house site pattas. It is further stated that as the petitioner and others have been making attempts to get the house site pattas, the persons, who got vested interest over the property in question, are threatening and interfering with the personal life and liberty of the petitioner and others. It is further stated that the petitioners and others are living on daily wages and they are feeling insecurity and threat to their lives.

Having regard to the facts and circumstances of the case, I am not inclined to express any opinion with regard to the right of the petitioner or whether there is any threat to the personal life and liberty to the petitioner.

However, as the representation is said to have been filed before the 1st respondent, marking a copy to the 2nd respondent, dated 17-02-2007, I am of the opinion that, if representation, dated 17-02-2007, is received by the 2nd respondent, it is just and proper to direct the 2nd respondent to dispose of the said representation itself.

Accordingly, the writ petition is disposed of directing the 2nd respondent to dispose of representation, dated 17-02-2007, if received by him, as expeditiously as possible, in accordance with law. There shall be no order as to costs.
